

Emergency Solutions Grant (ESG) Eligible and Ineligible Costs

The Emergency Solutions Grant (ESG) Program Rule (24 CFR Part 576) outlines the costs that are eligible under the ESG program. This reference document summarizes the eligible cost guidance from the Rule and augments that information with clarifications from HUD and other funders. We will continue to update this document and post it on CSB's website [here](#) as we receive additional guidance. Because CSB is not the recipient of ESG funds (City of Columbus, Franklin County, and State of Ohio are the grantees), the recipients may impose additional restrictions on the use of funds.

Refer to your CSB contract (Exhibit A) to identify which of your projects receive ESG funding. If you have a question about whether a cost not listed here is eligible, please contact [CSB \(Kimberly Sanders 614-715-2530\)](#)~~CSB (Kirstin Jones, kjones@csb.org, 614-715-2542 ext. 123).~~
