CSB was founded in 1986 on the vision that no one should be homeless in our community, for even one night. As the system leader for the prevention of and response to homelessness in Central Ohio, CSB funds and coordinates care across 16 partner agencies providing outreach, homelessness prevention, emergency shelter, and housing programs to help low-income families and single adults facing homelessness in Franklin County regain housing stability. Over the past 10 years alone, CSB's system of care has housed more than 35,000 people.

Community Shelter Board is funded by the U.S. Department of Housing and Urban Development, the City of Columbus, the Franklin County Board of Commissioners, the State of Ohio, United Way of Central Ohio, Nationwide Foundation, American Electric Power Foundation, The Columbus Foundation, and many other public and private investors.
