

USHS Verification of Household Composition

Client Name: _____ HMIS: _____

All Prospective Applicants in households with minor and/or dependent children must provide a printout from the ODJFS, custody records, or school records. This documentation serves as verification of household composition.

If the Head of Household is listed as the biological mother or father, and no other documents are available, the Head of Household may sign a sworn affidavit to attest the child is a member of the household.

Affidavit:

I, _____, attest that the following children are my biological children and are currently in my household.

- 1)
- 2)
- 3)
- 4)
