

Women Leaders

BECOME A MEMBER

Community Shelter Board's Women Leaders is an incredible group of women **creating community change** connected by the power of philanthropy in a shared passion for **rebuilding the lives of our most vulnerable neighbors.**

Three ways to join:

1. Contact Katie Ocasio at kocasio@csb.org or 614-715-2524
2. Mail your membership confirmation (form below)
3. Online at csb.org/women-leaders/

Women Leaders come together to:

- Serve as ambassadors for Community Shelter Board and people facing homelessness
- Help raise funds for Community Shelter Board's nationally recognized programs to make sure everyone has a place to call home
- Connect with other members while being hands-on in the work to rebuild lives

Membership in Women Leaders requires a \$1,000+ individual investment, renewable annually. Annual membership funds are applied towards the group's goals:

- *Prevention programs, especially those focused on preventing homelessness among expectant mothers*
- *Family shelter programs to provide parents with children safety and security during their housing crisis*
- *Housing programs to help families end their homelessness and move back into a stable home*

Please enroll me in Community Shelter Board's Women Leaders.
