ONE  
ROOF**

**communityshelterboard**

**Tuesday, June 3, 2025 | Mitchell Hall at Columbus State Community College  
315 Cleveland Avenue, Columbus, OH 43215 | 4:00pm to 6:00pm**

Under One Roof is Community Shelter Board’s signature fundraising event to spark discussion about critical social problems and shed light on innovative solutions – so that everyone has a place to call home. Under One Roof distinguishes CSB as the system leader for the homeless system of care and raises unrestricted support for homelessness prevention, emergency shelter, and housing programs in Franklin County.

Under One Roof offers an afternoon of community with corporate sponsors, individual donors, local elected officials, policymakers, and industry and community leaders. CSB will share engaging and thought-provoking information about the challenges and opportunities brought to the forefront by Focus Strategies’ recent comprehensive community assessment of the state of homelessness in central Ohio. Creative, interactive story stations will illustrate our vital work and how you can help us move our mission forward.

We are pleased to welcome Gregg Colburn, co-author of *Homelessness is a Housing Problem, to 2025 Under One Roof*. Gregg Colburn is an associate professor of real estate at the University of Washington’s College of Built Environments. He publishes research on topics related to housing and homelessness. Gregg holds an MSW and PhD from the University of Minnesota and an MBA from Northwestern University. Prior to academia, he worked as an investment banker and private equity professional. Gregg is co-chair of the University of Washington’s Homelessness Research Initiative and is a member of the National Alliance to End Homelessness Research Council.

2025 Under One Roof will feature Gregg in conversation with Dr. Stephanie Moulton, Professor and Associate Dean for Faculty and Research at the John Glenn College of Public Affairs at The Ohio State University, moderated by Shannon TL Isom, CSB President and CEO.
