¹ Per current fiscal year POP

Grey shading denotes a percentage under 95% occupancy rate; goal is for a 95% occupancy rate

² The following programs house clients that are receiving CHN Shelter Plus Care subsidies: CHN-Family Homes (SRA / 7 households); CHN-Cassady (SRA

^{/ 1} household); CHN-Parsons (SRA / 13 households); RLPTI (TRA / 17 households); Southeast Scattered Sites (TRA / 2 households).

³ Three of the 13 units can house up to two individuals and these units are frequently but not always assigned to couples in which both partners are Rebuilding Lives eligible.

⁴ Due to additional HOME funds, Southeast is able to expand capacity and serve more households (mostly CAH related), including more RL eligible couples.

⁵ A non-RL unit at St. Clair was vacated and CHN placed an RL eligible client into this unit.

⁶ Due to a Shelter Plus Care subsidy freeze Parsons Avenue will have low occupancy until this issue is resolved.

¹ Programs are non-CSB funded.

Grey shading denotes a percentage under 95% occupancy rate; goal is for a 95% occupancy rate

² Per current fiscal year POP

³ Program occupancy rate goal set at 85%.

⁴ VOAGO - Veterans and Pater Noster House are not HUD CoC funded programs but participate in CSP on a voluntary basis.

⁵ The program is able to exceed capacity at times because it has three overflow units.

⁶ CMHA has informed Shelter Plus Care providers that they can slightly over-lease at this time.

⁷ The following programs house clients that are receiving CHN Shelter Plus Care subsidies: CHN-Family Homes (SRA /7 households); CHN-Cassady (SRA / 1 households); CHN-Parsons (SRA / 13 households); RLPTI (TRA / 17 households); Southeast Scattered Sites (TRA / 2 households).

⁸ Due to CMHA's mass unit transfer from TRA to Section 8, CHN TRA is experiencing a lower occupancy rate.

⁹ CMHA converted the SRA units to TRA units. The SRA program was phased out through June 2009.

¹⁰ Huckleberry House has the ability to expand capacity temporarily when necessary. May, June, July and August capacity were expanded slightly to accommodate longer wait for graduation to permanent housing. Effective 11/10/09, the program capacity is reduced to 24 units.
